3. Resolution 1 – Approval of the Performance Rights Plan

3.1 Background

The Directors have convened the Meeting to approve the establishment of the Monto Employee Performance Rights Plan (**Performance Rights Plan**), including the grant of Performance Rights to Mr James Allchurch, a Director of the Company, under the Performance Rights Plan.

The Performance Rights Plan provides for the issuance of Performance Rights which, upon a determination by the Board that the performance conditions attached to the Performance Rights have been met, will result in the issue of one ordinary Share in the Company for each Performance Right.

The Company wishes to exempt issues of securities under the Performance Rights Plan from contributing towards the rolling annual limit of 15% of issued Shares prescribed by Listing Rule 7.1. This limit otherwise applies to all new issues of equity securities made without Shareholder approval. Shareholder approval of the Performance Rights Plan is therefore sought under Listing Rule 7.2, Exception 9, whereby the Shareholders may approve in advance the issue of securities made under the Performance Rights Plan as an exception to the limit under Listing Rule 7.1.

No securities have been issued under the Performance Rights Plan and the Performance Rights Plan has not previously been approved by Shareholders.

Pursuant to the Listing Rules, Shareholders must re-approve the Performance Rights Plan and all unallocated Performance Rights issuable pursuant thereto every three years.

Further information about the Performance Rights Plan is set out below. A copy of the Performance Rights Plan can be obtained by contacting the Company.

Reasons for the new Performance Rights Plan

To achieve its corporate objectives, the Company needs to attract and retain its key staff. The Board believes that grants made to eligible participants under the Performance Rights Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the implementation of the Performance Rights Plan will:

- (a) enable the Company to recruit, incentivise and retain Key Management Personnel and other eligible Employees needed to achieve the Company's business objectives;
- (b) link the reward of key staff with the achievements of strategic goals and the long term performance of the Company;
- (c) align the financial interest of participants of the Performance Rights Plan with those of Shareholders; and
- (d) provide incentives to participants of the Performance Rights Plan to focus on superior performance that creates Shareholder value.

Outline of the Performance Rights Plan

This section gives a brief outline of how the Board intends to implement initial participation under the rules of the proposed Performance Rights Plan.

Participation

Carefully designed, performance linked, equity plans are widely considered to be very effective in providing long term incentives to staff. As well, they are used to attract and retain staff by providing them with the opportunity to participate in the creation of a valuable personal asset – a financial stake in the Company.

As part of the Company's strategy, the Board wishes to be in a position to grant Performance Rights under the Performance Rights Plan to employees (including Directors), to achieve the objectives outlined above. A Performance Right is a right to be issued a Share upon satisfaction of certain performance conditions that are attached to the Performance Right, as determined by the Board. In accordance with the requirements of the Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan.

Overview of the Performance Rights Plan rules and terms and conditions

The Board is cognizant of general Shareholder concern that long-term equity based rewards for staff should be linked to the achievement by the Company of a performance condition. Performance Rights granted under the Performance Rights Plan to eligible participants will be subject to performance conditions as determined by the Board from time to time. These performance conditions must be satisfied in order for the Performance Rights to vest. Upon Performance Rights vesting and the Employee being advised that the vesting conditions have been met, Shares will be issued by the Employee exercising the Performance Rights.

The Board considers the Performance Rights Plan a crucial mechanism to encourage and retain high level executive and employee performance. The Board intends to implement the Performance Rights Plan, and set the performance conditions, in a manner designed to incentivise and reward high level executive and employee performance.

The main features of the Performance Rights Plan (and the terms and conditions to be attached to the Performance Rights Plan) are summarised as follows:

Eligible Participants: The eligible participants under the Performance Rights Plan are Employees (including Directors) of the Company and its subsidiaries (**Eligible Employees**).

In accordance with the Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan and be granted Performance Rights.

Limits on Entitlements: An offer of Performance Rights may only be made under the Performance Rights Plan if the number of Shares that may be acquired on exercise of those Performance Rights, when aggregated with:

- (a) the number of Shares which would be issued if each outstanding offer, right or option to acquire unissued Shares, being an offer made or right or option acquired pursuant to the Performance Rights Plan or any other incentive schemes, were to be accepted or exercised (as the case may be); or
- (b) the number of Shares issued during the previous 5 years pursuant to the Performance Rights Plan or any other incentive schemes;

does not exceed 5% of the total number of issued Shares as at the time of the offer (or such other maximum permitted under any ASIC class order providing relief from the disclosure regime of the Corporations Act.

Individual Limits: The Performance Rights Plan does not set out a maximum number of Shares that may be made issuable to any one person or company.

Consideration Payable: Performance Rights will be issued for no consideration and no amount will be payable upon exercise thereof.

Offer and Performance Conditions: The Performance Rights issued under the Performance Rights Plan to Eligible Employees will be subject to performance conditions, determined by the Board from time to time and expressed in a written offer letter (**Offer**) made by the Company to the Eligible Employee which is subject to acceptance by the Eligible Employee within a specified period. The performance conditions may include one or more of (i) service to the Company of a minimum period of time (ii) achievement of specific performance conditions by the participant and/or by the Company (iii) a vesting period following satisfaction of performance conditions before the Performance Rights vest, or (iv) such other performance conditions as the Board may determine and set out in the Offer. The Board in its absolute discretion determines whether performance conditions have been met.

Milestone Date, Expiry Date & Lapse: Performance Rights will have an expiry date as the Board may determine in its absolute discretion and specify in the Offer. The Board is not permitted to extend an expiry date without shareholder approval.

The performance conditions of Performance Rights will have a milestone date as determined by the Board in its absolute discretion and will be specified in the Offer. The Board shall have discretion to extend a milestone date where the Board (in its sole discretion) considers that unforeseen circumstances or events have caused a delay in achieving the performance condition by the milestone date. The Board shall not be permitted to extend the milestone date beyond the expiry date of the Performance Rights.

If a performance condition of a Performance Right is not achieved by the earlier of the milestone date or the expiry date then the Performance Rights will lapse. A Performance Right will also lapse if the Board determines the participant ceases to be an Eligible Employee for the purposes of the Performance Rights Plan for any reason (other than as a result of retirement, disability, bona fide redundancy or death).

Retirement, Disability, Redundancy or Death: Under the Performance Rights Plan, upon the retirement, total and permanent disability, bona fide redundancy or death of a participant, then in respect of those Performance Rights which have not satisfied the performance condition but have not lapsed, then the participant shall be permitted to continue to hold those Performance Rights as if the participant was still an Eligible Employee.

Forfeiture: If a participant acts fraudulently or dishonestly or is in breach of his or her obligations to the Company, the Board will have the discretion to deem any Performance Rights to have lapsed and deem any Performance Rights that have become Shares to be forfeited. In the event the underlying Shares have been sold by the participant, the participant will be required to pay all or part of the net proceeds of that sale to the Company.

Assignment: Without prior approval of the Board, Performance Rights may not be transferred, assigned or novated, except, upon death, a participant's legal personal representative may elect to be registered as the new holder of such Performance Rights and exercise any rights in respect of them.

Takeover Bid or Change of Control: All Performance Rights automatically vest in the event of:

- (a) a Court ordering a meeting to be held in relation to a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies and the shareholders of the Company approve the proposed compromise or arrangement at such meeting;
- (b) a takeover bid (as defined in the Corporations Act) is announced, has become unconditional and the person making the takeover bid has a relevant interest in 50% or more of the shares in the Company; or
- (c) any person acquires a relevant interest in 50.1% or more shares in the Company by any other means.

Alteration in Share Capital: Appropriate adjustments will be made to the number of Performance Rights in accordance with the Listing Rules in the event of a reconstruction of the share capital of the Company, such as a share consolidation, share split or other reduction of capital.

Pro Rata Issue of Securities: If, during the term of any Performance Rights, the Company makes a pro rata issue of Securities to the Company's Shareholders by way of a rights issue, the holder thereof shall be entitled to participate in the rights issue on the same terms as the Company's Shareholders as if the holder held that number of Shares equal to the number of Shares issuable to the holder if all of the holder's Performance Rights were exercised prior to the record date for determining entitlement under the pro rata issue.

A holder will not be entitled to any adjustment to the number of Shares he or she is entitled to under any Performance Rights or adjustment to any Performance Condition which is based, in whole or in part, upon the Company's Share price, as a result of the Company undertaking a rights issue.

Bonus Issue: If, during the term of any Performance Rights, the Company completes a bonus issue, the number of Shares each Performance Rights holder is then entitled to, shall be increased by that number of securities which the holder would have been issued if the Performance Rights then held by the holder were exercised immediately prior to the record date for the bonus issue.

Participation in other Opportunities: There are no participation rights or entitlements inherent in the Performance Rights though the Company will use its reasonable endeavours to ensure that each holder is given an opportunity to participate on the same basis as if his or her Performance Rights had been exercised.

Termination, Suspension or Amendment: The Board may terminate, suspend or amend the Performance Rights Plan at any time subject to any resolution of the Company required by the Listing Rules.

3.2 Initial Performance Conditions

The Board is intending to grant Performance Rights in three milestone based tranches with the milestone dates as follows:

Tranche	Performance Condition	Milestone Date
Tranche 1 Performance Rights	The participant being an Employee of the Company and reporting against: <ol style="list-style-type: none"> 1. Drilling programme completion; 2. 8. Resolution 6 – Authority to grant Plan Options to a Director – Mr Patrick Burke

8.1 Background

The Company proposes to grant a total of 2,500,000 Plan Options to Mr Patrick Burke, a Non-Executive Director, under the Option Plan.

The principal terms of the Option Plan are summarised in Schedule 1.

The Plan Options will be granted for nil consideration. The Plan Options will be exercisable at a 45% premium to the volume weighted average of the prices at which Shares were traded on the ASX during the one week period up to and including the date of the Meeting, on or before the date that is 4 years from the date of the grant of the Plan Options.

In the Company's present circumstances, the Board considers that the incentive to Mr Burke that will be represented by the grant of these Plan Options, are a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Burke and are consistent with the strategic goals and targets of the Company. It is also usual that junior exploration companies will remunerate their directors by way of share or option incentive plans in order to preserve cash and maximise exploration activities.

Resolution 6 is an ordinary resolution and is subject to the passing of Resolution 2.

8.2 Listing Rule 10.14

Shareholder approval is required under Listing Rule 10.14 for the proposed grant of the Plan Options because Mr Burke is a related party of the Company.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required. Accordingly, the grant of Plan Options to Mr Burke will not reduce the Company's 15% capacity for the purposes of Listing Rule 7.1.

8.3 Specific information required under Listing Rule 10.15

Listing Rule 10.15 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval for the grant of the Plan Options:

- (a) The maximum number of Plan Options that may be granted to Mr Burke pursuant to Resolution 6 is 2,500,000 Plan Options.
- (b) The Exercise Price of each Plan Option is a 45% premium to the volume weighted average of the prices at which Shares were traded on the ASX during the one week period up to and including the date of the Meeting. Each Plan Option vests immediately upon grant and has a specified expiry date of the date that is four years from the date of grant. Refer to Schedule 2 for further terms and conditions of the Plan Options.
- (c) Upon exercise of the Plan Options, the Shares will be issued on a one for one basis on the same terms as the Company's existing Shares.
- (d) The Plan Options will be granted for nil consideration.
- (e) There have not been any Plan Options granted under the Option Plan to date.
- (f) Under the Option Plan, only Employees (as defined in Section 9 of this Notice) are entitled to participate in the Option Plan. Mr Burke has been determined to be an Employee for the purposes of the Option Plan.
- (g) A voting exclusion statement is included in the Notice.
- (h) The Company will grant the Plan Options no later than 12 months after the date of the Meeting or such longer period of time as ASX may in its discretion allow.
